

Overview

Orbi™ is the simplest and smartest way to enjoy high-speed WiFi in every corner of your property. Easily increase your outdoor WiFi coverage with this weather-resistant, add-on Orbi Outdoor Satellite. Innovative Tri-band WiFi helps maximize the Internet speeds available in your property.

Enjoy better WiFi. Everywhere.

Features

More Coverage. Outdoors.

This add-on Outdoor Satellite expands your Orbi Home or Pro WiFi coverage outdoors with up to an additional 2,500 sq ft.

Weather-resistant. Wall Mountable.

Easily place on the wall and designed to withstand the rain and sun.

Single Network Name.

One WiFi name and seamless roaming for your whole home or office to enjoy.

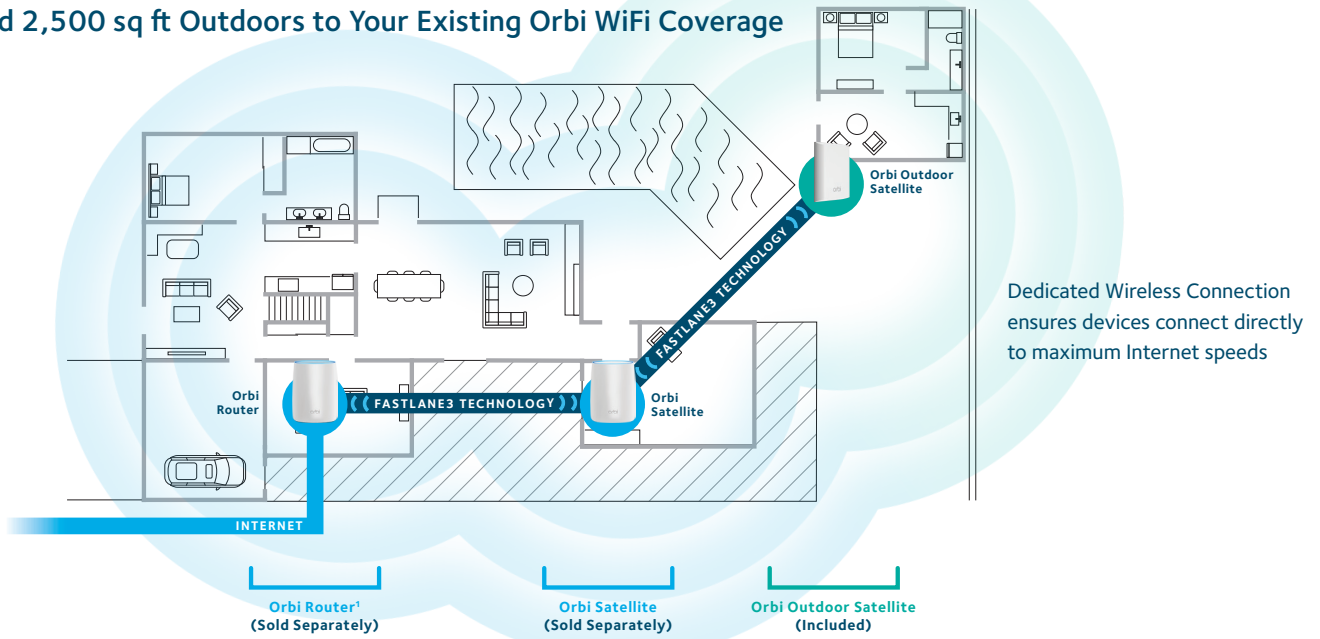

Simple & Secure.

Plug the Orbi Outdoor Satellite into a power socket and use the app to sync to your Orbi Router to enjoy high-speed WiFi in your backyard.

This product comes with a limited warranty that is valid only if purchased from a NETGEAR authorized reseller.

*90-day complimentary technical support following purchase from a NETGEAR authorized reseller.

¹ Orbi Router required (sold separately)

² Internet plan and devices that support these speeds are required.

[†] Maximum wireless signal range derived from IEEE standard 802.11 specifications. Actual data throughput and data over distance will vary. Network conditions and environmental factors, including volume of network traffic, building material and construction, and network overhead, result in lower actual data throughput rate and wireless coverage.
